# Fundamental – Issue 39 – Special Feature: Litigation

Welcome to the latest edition of *Fundamental* which includes a Special Feature highlighting the latest news and developments from our Litigation team.

Read the latest news about:

- internal dispute resolution reporting
- ASIC banning orders and personal conduct
- monitoring authorised representatives
- ASIC scrutiny of fund advertising
- marketing off the plan builds
- when trustees should seek judicial advice
- some examples of our litigation work

We also take a close look at:

- material changes to off the plan contracts
- a landmark Foreign Investment Review Board penalty case
- unconscionable conduct
- the latest news for the real estate industry.

We also share our recent conversation with Archibald Capital managing partners Peter Shear and Ben Marsden.
